**Internship Certificate confirming industrial placement for our student  
Meiby Mayte Cabrera Mariduená**

Dear ladies and gentlemen,

According to the rules governing the practical study semester in the Faculty of Economics, students preparing for a Bachelor's degree in International Business Management must complete a practical study semester covering a period of 6 months abroad or in Germany.

Mrs. Mayte Cabrera will be doing her/his practical study semester from Winter Semester 2024.

She is exempt from the payment of social security contributions for the duration of her/his practical semester.

With best regards,

i.A. Janine Spring
